FRED SAID

The Presidents Message: by *Fred Scott*

Happy Holidays!

A great time was had by all at the Manhattan Club dinner meeting. Armondo Lazano joined us and shared that The Belmont Concours d' Eleganza will be held again in June. Kevin Molineaux announced that he and Debilyn will be moving to Scotts Valley where he has taken a position with Canepa Design. Congratulations Kevin! Kevin and Debilyn have long been active and important members of our club. Kevin has served for many years on the board and most recently was instrumental in bringing back autocross. We wish them the very best. How about a tour to Scotts Valley?

Our chili tour to Coulterville was 12 cars strong. We had perfect weather and some good and spicy chili as well. Dave and Tammy Ogden know how to put together super tours! A 2-day tour to Death Valley is in the works for April. Contact Dave about any tours that you would like to lead.

Thank you to all who cast their votes for the 2010 Board and Committee members. The results are:

TOURS - Coulterville "Chili Run"

November 14, 2009 Coulterville Chili Run

We took 41 to the 145 and then Rd 600 through Raymond to Awahanee and then jumped onto the 49 up to Coulterville.

The weather was gorgeous and the group was great; 12 cars in attendance. Fred used his turbo powered "gravel plow" to level out the parking area for all. I heard the pace was quick for those older cars and they found a few new rattles. The Hotel Jefferies was waiting on us and gave us super attention and food hit the spot! The Chili had a kick but nobody complained.

The return route was 49-41 and a little side route around O'Neal's to Friant.

Don't miss the next tour for all are turning out to be great time!

Regards,
Dave

2009—THE YEAR IN REVIEW

2009 was another great year for the Sequoia Region PCA. We had 12 new members join the club and we now have 294 members (including associate members) which includes 161 cars.

We had many great road trips throughout the year including trips to Courtewrite Reservoir, Bass Lake, Mammoth Pools Lookout, Mammoth Lakes, Coulterville, Humphreys Station, The Blossom Trail, Wine Tasting in Paso Robles & Santa Ynez Valley, Morro Bay, a trip to the Monterey Historics, and the Belmont Concours d'Eleganzia in Fresno. Dave Ogden, with his wife Tami has done a fantastic job as Tour Director but is always looking for new ideas...if you have an idea, get in touch with Dave.

In October, Barry and Annelie Lockton hosted the annual Oktoberfest party at their beautiful home in Clovis. We had fantastic and authentic German food and beer and the party was a great success with over 60 attending. Thanks Dave Goerlich & Shari Walker for Chairing the party and helping to put on a great event.

Kevin Molineaux brought back Auto-cross to the club and we had several great competitions throughout the year. Kevin made arrangements with a business in Kerman that allows the club to use their giant parking lot for hosting the events. We have several events planned for 2010 with will include a zone event in late September or October. Kevin and his wife Debbie will be moving to Scotts Valley and so the giant shoes will be filled by David Crabtree - lets all offer our help to David so that this event continues to be successful and fun for the whole club.

In May 2009, The Belmont Country Club hosted the Belmont Concourse d' Eleganzia. This was a fantastic car show with rare and unique cars from all eras. There were over 40 Porsches parked in the coral with a few competing in the very tough competition. This coming year, the Concours is going to make this a Porsche featured event - so stay tuned for details.

Carol Lillian and Christine Richard did an outstanding job this year planning the

monthly dinner meetings. Not only do they find great restaurants, but they negotiate group deals so that we always have great dinners at a great price. The duo have agreed to do this again for 2010 and we should have some really nice dinner meetings this year. Last year included; The Manhattan, Aqua Shi, Joy Luc, The Landmark, Javier's, Fugazzi's in Visalia, Phoenician Gardens, Jon's Bear Club, and last but not least...The Down Town Club Christmas Party.

The Sequoia Region PCA has always been involved in charity. This includes the annual scholarship award that is given to deserving students as well as supporting the Evangel Home. At each dinner meeting, we ask that you bring any amount of canned food that you can spare which is delivered to the Evangel Home Monthly. The raffle proceeds from the Christmas party as well as the decorated tree will be delivered to the home and they have been extremely grateful for donations in the past.

Last but not least...as editor of your magazine, I am going to try and get this publication out before month end - *each month*. But, I need your help....please send me your photos, articles, and anything of interest so I can get it published. There's always room for a story, classified ad, of photo of your car or recent trip. Dirty jokes are ok too, but I may keep those for myself - Vern.Simmons@sbcglobal.net or Sequoia.Zeitung@gmail.com
